

CARE Distance Learning Modules

Steve Wooley
Deputy Director for Operations
CARE

CARE Distance Learning Modules

- **Turnover in regional service centers increases demand for PPP training**
- **CARE conducts an average of 18 classroom courses per year**
- **Trained specialists need ready access to periodic “refresher training”**
- **OSD and Component travel budgets have decreased**

CARE Distance Learning Modules

- CARE Distance Learning Center established in 2002
- Inaugural course: “Navigating & Using the ASARS Web”
 - Other courses being added this year
 - PPP:
 - Releasing Activity
 - Gaining Activity
 - Administration and History
 - Automated RPL

CARE Distance Learning Modules

- **Self-paced courses include:**
 - Hot links to reference materials
 - Quizzes for each module
 - E-mail link to virtual instructor
 - Self-printing certificates of completion
- **Students access training via ASARS user account**
